Summary

The first edition of the AlpineMan Xtreme Triathlon will start on **September 23rd, 2017 at 5 AM** on Lake Bohinj's west coast. The **entry fee** is **340 EUR**, which will need to be paid in 10 days following the registration-closed date via bank transfer if you will register quickly enough to get a slot in the race. For the first edition of the AlpineMan Xtreme Triathlon **50 racing slots** will be awarded using a **first-come, first-serve** method.

Athletes are **required** to have and be accompanied by a personal, **registered supporter** in a support vehicle. The supporter needs to be able to communicate with the race organizers in Slovene or English. You will not be allowed to start the race without a registered supporter. We recommend that the support team consists of two adults. The supporter is personally responsible for his athlete during the course of the race. **Only one supporter vehicle** is allowed per athlete and this vehicle will be marked accordingly with labels provided by the race organizer. The supporter and his athlete must strictly adhere to all traffic regulations at all times and without exceptions! It is forbidden to drive right in front or behind the athlete, and the athlete is not allowed to sit in the supporter vehicle.

No support is provided on the bike leg from the organizer. The supporter must provide all essentials for his athlete (food, beverage, clothing, etc.) during the bike leg of the race. Suitable meeting points will be marked with AlpineMan Xtreme Triathlon road signs, whereas the details and maps can be found in the Road Book.

Even though it is not mandatory to have a supporter during the run section of the race, we recommend one. The supporter can follow his athlete in the supporter vehicle till Tolmin, and on foot or bicycle from Tolmin to Tolminske Ravne. From Tolminske Ravne onward it is possible to accompany the athlete only on foot.

Walking stick are allowed during the mountainous section of the run leg.

In Tolminske Ravne, before entering the mountainous part of the run leg, a medical checkpoint will be organized. Each athlete and supporter must respect the decisions of the medical crew.

There will be no referees on the course and the race organizer expects that all athletes will follow the rules of true sportsmanship and fair play and that all participants will respect the natural environment in which the race is organized. The race organizer also expects that the athletes will conquer this ordeal solely on their own and by not using any kind of prohibited methods and substances.

Slots

The first edition of the AlpineMan Xtreme Triathlon will start with 50 athletes. The slots will be awarded to the first 50 registered athletes. The awarded slot is personal and cannot be transferred to another athlete. The athletes will need to present their identity during the Pre-Race registration with a valid identity document.

Participant List

The full list of athletes that were awarded a slot in the lottery will be published on the official event web site on the day following the lottery.

Supporter

The race organizer will provide aid stations only in transition areas and during the run leg of the race, where three aid stations will be organized. Each athlete must have a supporter who must accompany and support the athlete during the bike leg and partially during the run leg of the race. An official supporter has to be registered on the athlete registration form. The supporter can be changed at any time prior to the race.

Only one supporter vehicle is mandatory and allowed per athlete. This vehicle will be marked appropriately with labels provided by the race organizer. The number of vehicles is limited in order to lower our footprint in nature. In addition, the parking areas also offer limited parking spots.

The supporter as well as the athlete must strictly adhere to all traffic regulations. The supporter is not allowed to drive the supporter vehicle right in front or behind the athlete.

The supporter plays an important role during this epic day and will therefore be given the official AlpineMan Xtreme Triathlon Supporter T-Shirt during Pre-Race Registration. The supporter can input his T-Shirt size during the on-line athlete registration process.

Pre-Race Registration and Race Briefing

The Pre-Race Registration will be open on Thursday afternoon and on Friday. The athlete and his supporter have to register together during the Pre-Race Registration opening hours. The Race Briefing will be organized on Friday evening and is mandatory for both the athletes and their supporters.

The Race Briefing will be organized in Slovene (Friday from 3:45 PM to 4:45 PM) and in English (Friday from 5 PM to 6 PM).

Prize Money

No prize money will be awarded.

Medical Teams

Medical teams which will take care of the athletes in case of an accident will be present along the course during the entire day. The medical crew can at any time during the race remove the athlete from continuation if medical or health issues pose a hazard to his health. **Continuation of the race on personal responsibility is not permitted.**

Timekeeping and GPS Tracking

The AlpineMan Xtreme Triathlon will have official timekeeping in the form of timing chips. This system will allow the athletes and spectators to review their split times as the results will be available live on the Internet and in printed version after the race.

In addition, each athlete will be provided with a GPS tracking unit which will allow live tracking of the athlete's position on the course. These units also serve as a safety device.

Accommodation in Bohinj

The race organizer in collaboration with Hotel Jezero (<http://www.hotel-jezero.si/en/>) offers a special discount when booking accommodation. The athletes and their official supporters will be able to book the accommodation at Hotel Jezero (B&B in a double bed room) for 35 €/person/night using a unique code which will be sent to you by the race organizer.

Otherwise, each participant of the event is personally responsible for finding and booking appropriate accommodation during the event.

Accommodation can be found on the following web pages:

- Turistično društvo Bohinj (<http://www.bohinj-info.com/en>)
- Turizem Bohinj (<http://www.bohinj.si/en>)

Race Rules

General Rules

Each athlete has to carry the timing chip and GPS tracker with him during the course of the entire race. The athletes must not carry their BIB number during the swim leg and the BIB must be made visible in T1. The BIB number must be visible on the back side of the athlete during the bike leg, and on the front side during the run leg.

Cut-off times

The cut-off times will be enforced and strictly followed to ensure your maximum safety. The following cut-off times will be in effect.
